GROWING COMPANY LOOKING FOR OHIO/KENTUCKY CERTIFIED SPRINKLER INSTALLATION TECHNICIAN

RTF Fire Protection - Cincinnati, OH

Company Overview:

RTF Fire Protection is a fast growing, Cincinnati based, locally owned and operated business. We excel at providing fire sprinkler, fire alarm, electronic security, inspections, and life safety products and services. We are a fast paced and team-oriented company that is growing rapidly. Our focus is on serving our customers with great quality products and exceptional service. RTF has a great team atmosphere and provides top notch benefits to its employees!

Job Summary:

The certified sprinkler technician is primarily responsible for the installation of new sprinkler piping in new and/or existing buildings that require a new sprinkler system. Ideally, the certified sprinkler technician will work directly with the Construction Manager, construction coordinator, and other field technicians. The certified sprinkler technician will be provided with a company van, company tools, uniforms and a company cell phone. The certified sprinkler technician will take the van home each night and on weekends.

Qualifications and Skills:

We have an immediate opening for a talented individual who has at least two years of experience as an Ohio and/or Kentucky certified sprinkler technician. The certified sprinkler technician must be able to work independently as well as with a team. The ability to communicate well with both field technicians and customers is required. Organization and reliability as well as efficiency and accuracy are a must. The ability to pass a drug screen is mandatory. Starting hourly pay rate is based upon knowledge and experience. Hours are 7:00am – 3:30pm, Monday thru Friday, with overtime opportunities.

Benefits:

- Health Insurance
- Dental Insurance
- 401K after 90 days with company match
- Life Insurance
- Long term disability
- Paid vacations
- Paid holidays per year
- Company paid training/continuing education
- Uniforms supplied by company
- All certifications paid for by company
- Vision Insurance
- Supplemental insurance offered
- Company paid smart phone
- Paid personal days per year (3) total

Job Type: Full-time
